HAYNES LIBRARY

GIFT OF READING PROGRAM

Help the Haynes Library by donating a book in celebration of a special person or occasion!

Gift of Reading selections can be made now or at any time of year—birthdays, holidays, teacher appreciation, or just because!

This year, we're doing things electronically to make it easier to honor someone and add to our library's collection. Please go to this link to choose a book from the library's wish list:

Once you've selected a book, two things will help us get it into the library collection:

1. Please make sure you select the shipping address:

Jodi Sparks- Haynes LIB
Gift Registry Address

2. In the "Gift Message" window, note the name of the child or family who is donating the book and the occasion or person being celebrated.

THANKS SO MUCH FOR YOUR SUPPORT OF OUR LIBRARY!
