Principal's Message

Dear Haynes Families,

Over the past few years the Haynes staff and I have undertaken a study of Carol Dweck's work in an effort to better understand how to foster a growth mindset for learning. We have learned how to structure feedback in a way that supports learning and how to frame challenges as opportunities for growth and change. In a dynamic learning community of learners such as ours, change is inevitable, for the adults as well as the students.

It has been a privilege to serve the Haynes community for the past 14 years, first as a literacy teacher and then as the building principal. Haynes is a wonderful community, with an invested parental community, committed professional educators, and a caring and inquisitive student body. Embracing a growth mindset, I look forward to new challenges and the opportunity to serve the broader community as the Assistant Superintendent for Teaching and Learning. The staff and I are working diligently to ensure a smooth close to the current year and to put in place the structures and staffing to open the new school year.

In the upcoming days and weeks, I will be sharing information regarding staffing changes.

This week you will also receive information regarding the upcoming search for a new principal.

Please accept my gratitude for my years at Haynes and my pledge to ensure a quality educational experience for each and every member of the Sudbury school community.

With gratitude,

Kim Swain

Auction Kickoff 2014

The Biggest Party of the Year!

Now that we have your attention. . . Happy Spring! Fall may feel like it is a long way off, but it's really only a summer away, and that means the biggest party (and HOP fundraiser) of the year is just around the corner. Mark your calendar and book your babysitters: the **Haynes 2014 Auction is Saturday, November 15th!**

We need the great parents of Haynes to help make the night a huge success. The Auction is one of the easiest ways to get involved in volunteering at Haynes. We are always happy to have parents that want to take on some of the larger roles, but we also have LOTS of opportunities that require very little commitment; just an hour here or there, either during or after school hours. Many of these roles are perfect for working parents!

Want to find out more, or even just give us some ideas and input about what you would like to see at the 2014 Auction? Then come to our **kickoff meeting on Thursday, May 15th in the Haynes Cafetorium from 9:00 - 10:00 a.m.** Can't join the meeting? No problem. Just e-mail [Ojas Tamhane](#) for more information on how you can help.

Spring Book Fair: May 21st - May 28th

Mark your calendars!!!! It's that time of year ALREADY!!!! All proceeds from this book fair support the Haynes Library! Thank you for your support of the library!

Thanks to those of you who have already signed up to volunteer! We could still use some more help- please consider volunteering at the Spring Book Fair. Volunteers are needed to assist students with creating their book lists during class library times, mostly for students in grades K-2. Please consider helping with your child's class.
