The Yearbook is Here!

If you ordered a yearbook, it was delivered to your student in class on Monday, June 16th. If you think you ordered a book and your child did not receive one, please contact [Bonnie McAlley](#) immediately.

Thanks to a small print overrun, we have a few extra copies available. These copies will be available for sale in the front lobby until we run out. Yearbooks are \$25 each. Checks should be made out to HOP.

BOKS is Coming to Haynes!

We are so excited to announce BOKS is coming to Haynes in the Fall!

BOKS is a volunteer-run, fun before-school physical activity program for kids. Each session lasts 6 weeks and meets 2 days per week for 45 minutes (8:00-8:45 a.m.). Some of the activities include running, jumping, hopping, hula-hooping, learning new skills and so much more!

Information regarding dates and registration will be announced at the beginning of the school year. In the meantime, if you are interested in learning more about BOKS or becoming a trainer for this fantastic program, please email [Lisa Eppich](#) or [Elizabeth Mossi](#), or you can check out the [BOKS website](#).

Thanks!

Lisa Eppich and Elizabeth Mossi

All Hayneswear Ordered!

A very big THANK YOU to everyone for being so supportive of the Hayneswear fundraiser!

All orders, including purple shorts and headbands, will be fulfilled and delivered in the fall. Communication will go out at that time with information about order pick-ups.

Have a wonderful summer!

"Let's Build" Visits Fourth Grade

On Tuesday, June 17th, Let's Build visited the Haynes fourth graders to teach them about Electrical Engineering.

The fourth graders were able to build a circuit and test different insulators and conductors.

They also learned about the engineering design process as they tested different elements of their circuit, complete with light bulbs, switches, doorbells and buzzers.

Ask your child what surprised them as an insulator or conductor!

Haynes Achieves Goal of 10,000 Items! Wow! THANK YOU from the Sudbury Food Pantry

This year the Elementary Schools collected 45,791 items in total, which was a 3.82% increase over last year. The estimated value of this food is \$91,782. Your generosity has enabled us to provide a wider variety of food to the 1,400+ clients we serve from 63 Cities and Towns.

I want to express the thanks from the clients we serve and the 70+ volunteers that enable the pantry to operate.

Please pass our gratitude along to the students, staff and parents that made this possible.

Yours Truly,
Patrick J. Mullen
Executive Director
The Sudbury Community Food Pantry

Important Medication Update from the Health Office

Please remember to pick up all epi-pens, inhalers and medication before the last day of school as all medications left behind after June 24th will be disposed of.

For the upcoming school year, be sure to have all care plans (allergy and asthma) signed by your physician and completed for the first day of school when you drop off your child's epi-pens, inhalers and medications. These forms (Student Asthma Action Plans, Allergy Action Plans, Medication Authorization Forms, etc.) are now available on the SPS website under "Forms" in the [Nursing](#) section. Reminder - all medication must be delivered to school by a parent or guardian in a container with the original pharmacy label. Prescription medications require a physician's authorization, so please remember to obtain that as well (this includes asthma and epi-pen orders).

Classroom teachers and specialists will be notified of any medical concerns in a confidential manner, as needed.

Also, this past year, the school nurses were able to obtain free stock epi-pens for our health offices through a program offered by Mylan Pharmaceuticals. They are now offering up to six (up to three 2-pack cartons) for \$0 copay for families. With insurance coverage, this means for most families the epi-pens would be available at no cost. Click [HERE](#) for more information about this program.

Wishing you a Healthy and Safe Summer Vacation!
