Save the Date for...Haynes Field Day

This year we will once again be celebrating the closing days of the school year with Field Day. Field Day will be held **Wednesday June 15th**. For planning purposes, and for those new to Field Day, here is an overview of the day:

- School begins at normal time with normal arrival procedures.
- Grades K-2 will celebrate Field Day events from 9:00 - 11:30 a.m. and have a picnic style lunch outside following the last event. They will then return to classrooms until regular dismissal time.
- Grades 3-5 will kick off Field Day with their picnic style lunch and begin their events at 12:55 - 3:15 p.m. They will then return to classrooms until regular dismissal time.
- Pre-ordered lunches will be available for the picnic, or you can send your child to school with a packed lunch. Use the [2016 Field Day Lunch Order Form](#) to pre-order lunches for you and your child(ren). **Lunch order deadline is Wednesday, June 8th.**

Did you know that Field Day is one of the largest volunteer events of the school year? Between the morning and afternoon sessions we need approximately 70 volunteers to bring this day together for our community! Visit the [Field Day Volunteer Page](#) to sign up!

Volunteers may park on Julians Way and the surrounding streets in addition to the Haynes parking lot. We ask that you be considerate of our neighbors when parking. Afternoon volunteers may sign their child out for dismissal at the front desk.

Looking forward to another fabulous Field Day!

ACE Awards for the A+ Educator

It's hard to believe another school year is coming to a close. ACE stands for Appreciation of Champions in Education, and is your opportunity as a parent to recognize your child(ren)'s teachers in a meaningful way that benefits our school community as a whole.

When you make a donation to SERF (Sudbury Education Resource Fund) in honor of a teacher, specialist, tutor or administrator, your teacher(s) will receive an ACE Award Certificate. This certificate will let him/her know that a donation has been made to SERF in their name as a "Champion in Education." The school principal also receives notice of the award, so that the honoree can be recognized among the school's faculty and staff. Your donation improves the classroom experience by enabling SERF to fund grant requests made by Sudbury educators (K-12) for special projects, technology, and materials. During the 2015-16 school year, SERF has made over \$90,000 in grants to SPS and LSRHS educators and staff. To learn more about the grants we have approved, please visit the [SERF website](#).

Order your tax-deductible ACE Awards online at the [SERF website](#) today! The deadline for ACE Award requests is Tuesday, June 14th.
