Open Positions: School Improvement Council

The School Improvement Council (SIC) is looking for two parent volunteers to join its group. The SIC is comprised of the Haynes School Principal, two Haynes teacher representatives and three Haynes parents. The SIC works as an advisory board to the principal and it formulates the School Improvement Plan. The group meets six times per year. This is a great way to learn more about the school and to be a part of the Haynes school community.

We are currently seeking two parents/guardians to serve a two-year term. Please click [HERE](#) for more information and to access the nomination form. Completed forms and statements of interest should be emailed to [Molly Logan](#) and [Mandy Sim](#) or placed in the HOP Co-Chair's mailbox (located in the front lobby at Haynes) **no later than Wednesday, September 16th.**

BOKS (Build Our Kids' Success) Before School Exercise Program

BOKS, a before-school physical activity program for kids, will continue at Haynes this fall! BOKS prepares children for a day of learning and is an important step in helping children gain an appreciation of the benefits of exercise and healthy choices that will last a lifetime.

Typical BOKS Class:

- 40 minutes long
- Fun warm-up game or movement drills
- Running activity, relay races, obstacle courses and strength movements
- Fun game
- Cool down and a BOKS Bit- a nutrition component of the program

BOKS will run every Monday and Wednesday morning OUTSIDE on the back playground from 8-8:45 a.m. The fall session starts on Sept. 21 and ends on Nov. 4. [Registration Forms](#) should be completed and returned with your check by Thurs., Sept. 17th. If more than 40 registrations are received, participants will be chosen by lottery.

Parents will be responsible for transporting their children to school. Children who attend SED are eligible to enroll and participate. Please note, that sessions may be cancelled due to inclement weather. We will try our best to give as much notice of cancellation as possible. This will be done via email.

BOKS is designed to create a partnership for healthy living between the school community and your family. If you are interested in becoming a volunteer, please contact one of our lead trainers, [Lisa Eppich](#) or [Elizabeth Mossi](#). We hope that you will share our enthusiasm for this program and you will, in turn, see a positive impact on your children. Please contact us with any questions.
