Co-Chairs June Newsletter

It was another great year for the Haynes community and we thank you for the many ways you supported our children, the teachers, and the Haynes administration. Experiences funded by our generous community include all school performances, science enrichment opportunities for each grade, festivals, crafts and the wish list items that directly support our classrooms. Thank you all!

Congratulations to new HOP Board Members Nalini Luthra (Co-chair), Colleen Whalen (Fundraising Co-chair), Ojas Tamhane (Treasurer), Dee Tupta (Assistant Treasurer, replacing Jenn Stone who is stepping off the board), and Cristina Phaneuf (Secretary).

We encourage you to look at volunteer opportunities for next school year by clicking [here](#). We are really in need of 1-2 volunteers to plan our Back to School picnic on the 1st day of school and for 1-2 volunteers to help put together the school directory. Both of these committees require a little bit of work over the summer months and we want to ensure that we have teams in place now, so please consider volunteering.

Here are some Haynes highlights in June:

Spring Book Fair to Benefit the Haynes Library – June 5th-8th

The trees are leafing out and the lilacs are in bloom which means that spring is finally here **AND** that the **Annual Spring Book Fair** is just around the corner! Please stop by the Haynes library **Monday-Thursday, June 5th-8th** and browse the great selection of books for summer reading. Pick up some titles for your children or help them choose their favorites.

Please consider volunteering for a 40-minute time slot [HERE](#) during your child's class visit to the book fair. Extra hands are essential to make the fair a success. Volunteers for grades K-2 will mainly help the students make selections and/or write titles on their wish lists while those for grades 3-5 will also help with the register if needed.

Proceeds from the book fair provide vital support to our wonderful library for the acquisition of new books and more. This is also an opportunity to purchase *City of Orphans* by Avi, the "one school, one book" required reading for 5th graders attending Curtis next year.

Field Day is Coming Soon- June 14th!

Haynes administration will distribute and collect lunch order forms. Stay tuned!

12:10-12:45 p.m. Students in grades 3 through 5 will have lunch. Following lunch, students will be dismissed to the field for Field Day.

3-5 FIELD DAY ACTIVITIES

12:50-3:15 p.m. – Students in grades 3 through 5 will rotate through a series of game stations located on the field. Following Field Day, students will return to their classroom for regular dismissal.

The school's goal for Field Day is to engage students in fun, cooperative games that reinforce the school's core values of respect, community and caring. Field Day builds upon the problem-solving skills taught at the elementary level through the social competency curriculums, Open Circle, Quit It, and BullyProof, and reinforced through daily class work and specialized events. A team of parent volunteers and teachers has been working to ensure that Field Day is accessible, engaging and non-competitive.

Looking forward to another fabulous Field Day!

Placement Information for 2017-2018

Dear Families,

With the summer fast approaching, we are sharing updated information about how we will be communicating your child's teacher assignment for the 2017-2018 school year. As you are aware, SPS utilizes Follett Aspen as our student management system. This is where you currently find your child's report card information and where you update your demographic information.

One of the many benefits of Follett Aspen is the ability to assign next year's teacher to each student, which is then visible to the family. In years past, we have communicated with you via the U.S. Mail. **Incoming Kindergarten families will still receive placement information through a formal letter.** This was costly and laborious and many of you were away during the summer, so notification was delayed. With the capacities of Follett Aspen, we will now notify families through the Student Information System. We are planning to have teacher assignments viewable to families by 4 p.m. on June 28th. Please know that class lists will not be available via Follett Aspen and will not be provided going forward.

If you have not logged on to your Follett Aspen account, please click on this link from the SPS homepage for instructions and FAQs for the Family Portal: <https://sites.google.com/a/sudbury.k12.ma.us/aspens-family-portal/>

As always, if you have any questions, please reach out.

Sincerely,

Sharon MacDonald

Haynes 2017 Fall Auction, It's Easy, We Promise!

Once we start a personal conversation about donations for the auction it usually goes along the lines of "Oh! I know someone at that company! I could ask them if they could donate something." That's it... that is all it takes to be part of helping us make the auction successful. One phone call, one e-mail to a friend or relative, but we need your help to make it happen. You really can be part of helping Haynes with just a single contact.

SAVE THE DATE: Saturday, November 18th, 2017 at Wedgewood Pines Country Club

Because the auction takes place early in the fall, we start looking for donations over the summer. Chatting at a BBQ or by the pool is one of the best ways to find donations! We have restructured our donation efforts over the past year to make it easier for everyone involved. There is no cold-calling, no meetings, and most helpers send one or two e-mails to people they already know asking if they'd be willing to donate. If you think you think you might be able to help, please contact auction co-chair [Rory Richards](#) .

Thank you, have a great summer and be on the lookout for auction donations!!!

[Join the Haynes Organization of Parents \(HOP\) Facebook Page](#)

HOP is very excited to announce that we now have a closed group Facebook page for our parents, guardians, teachers and staff. Using your Facebook account, search for “HOP” to join the group (You will see a profile picture of the school).

This page is intended to supplement the newsletter and our website, so be sure to read the newsletter as your main source of school news. But we’re hoping to create an even bigger sense of community with this page to give caregivers another place to ask questions, send updates on events and interact with one another.

Say Thank You to a Terrific Educator With an ACE Award!

The end of the school year is the perfect time to thank the special educators by honoring them with an ACE Award (Appreciation of Champions in Education). When you make a donation to SERF (Sudbury Education Resource Fund) in honor of a teacher, specialist, tutor or administrator, the honored educator receives an ACE Award Certificate indicating that a donation has been made to SERF in their name as a “Champion in Education.” The school principal also receives notice of the award, so that the honoree can be recognized among the school’s faculty and staff. Your donation improves the classroom experience by enabling SERF to fund grant requests made by Sudbury educators (K-12) for innovative projects, technology and materials.

Order your tax-deductible ACE Awards [online](#) on the SERF website. The deadline for Teacher Appreciation ACE Award requests is Friday, June 9th. Your donation will benefit teachers and students by funding SERF grants requested by our educators. Visit the [website](#) to learn more about past and current grants for all K-12 students!
