Square One Art Parent Volunteers Needed

This is a fantastic fundraiser for Haynes that allows our kids to create their own masterpieces, which can be reproduced on useful and personalized keepsakes for your family to enjoy! Last year alone, **Square 1 Art raised \$5,000** for our school, which contributed to festivals, science and cultural arts enrichment, teacher supplies and more!

We need your help to make this a success once again! We are looking for 1 to 2 parent volunteers during your child's art classes over the next few weeks to help provide support to our children as well as our art teacher, Mrs. Sahely. Please sign up [online](#) to donate your time.

Thank you,

[Jill Kushinsky](#) and [Allison Evans](#)

Dan Cripps Visits 2nd Grade

HOP Funds at work! Haynes Second Graders kicked off their Native American Unit last Tuesday with a very special guest. On Tuesday, September 15th, Dan Cripps of Native American Perspectives visited with the students. Each class had the opportunity to build a full-scale tipi using authentic materials. In order to successfully build the tipi, they had to listen, work cooperatively and problem solve.

It was a wonderful chance for the children to work with each other to create something magnificent!

Mr. Cripps returned on Tuesday, September 22nd to present the second portion of his annual program on Native American culture to Grade 2. On that day, the children had the opportunity to sit in the tipi, while listening to Dan's stories and handling Native American artifacts. Be sure to ask your 2nd Grader what he/she learned from this exciting presenter.
