

Haynes School Newsletter - October 24, 2016

A Note from Mrs. MacDonald:

I would like to thank [HOP](#) for supporting the concert by [FLAME, The Band](#), that was held on Friday, October 21st. It was such an upbeat, fun and musically entertaining assembly. Our students were dancing, singing and generally having a wonderful time. It was heartening to see the members of the Band, all of whom have different abilities, playing music, singing and thoroughly enjoying themselves. Flame's message is one of positive perseverance. They "spread hope and inspiration through their music" and our students definitely enjoyed their performance.

Our school has a positive and inclusive culture. We have a variety of learners in our school and we embrace each of them. Our students give us an opportunity to reach for new horizons, to try new things and to continue growing. I encourage you to discuss the differences that your children see and experience at Haynes, to encourage your children to be understanding and to share ways they can learn from their fellow students. We are all working on something in this world. At Haynes, we are working on acceptance, inclusion and understanding. Flame, The Band gave us a perfect way to start or continue a conversation about living full lives, treasuring diversity and learning to live and work together. I am looking forward to more ways we can continue this conversation this year.
