

Haynes School Newsletter - June 19, 2018

Attention CURRENT 3rd Grade Families!!!

We are looking for rising 4th Grade Families to help head up the monthly **Food Pantry Drives**. It is a one time per month commitment and could be split amongst 4 families so the commitment would be even less. Drives are held one Friday per month and the sorting & delivering happens in less than 2 hours time! Please contact [Emily Amico](#) with any questions about the Sudbury Food Pantry or the monthly Haynes' Drives.

The Food Pantry is a FUN way to work with the 4th Graders on this important COMMUNITY SERVICE project.

SAVE THE DATE: Haynes Community Picnic August 29, 2018 from 5pm to 7pm

The 6th Annual Community Picnic is coming to Haynes in August!

Mark your calendars as HOP will be hosting a Community Picnic on the first day of school from 5:00-7:00 PM! Come out to the Haynes playground on the evening of Wednesday, August 29th to celebrate the first day of school and the exciting year ahead. Mr Jeffrey LaBroad will inaugurate the new Haynes playground with a ribbon cutting ceremony. Please plan to join us for this fun and free event. There will be a DJ, face-painting and some amazing food trucks for dinner and dessert! Have a wonderful summer and we look forward to seeing you on August 29th!

Stacy Munroe, Jenn Stone and Colleen Whalen

Community Picnic Co-Chairs

Yearbooks are still available!

Just a few left! Last chance to get this beautiful, hard-cover photo memory book. Every Haynes child is included. Don't miss all the great new features – teacher baby photos, 3rd grade living history portraits, mosaic portrait cover. You can order [online](#) or with a [paper form](#).

Questions? Contact [Kelly Pacific](#).

A BIG Thank You to BOKS for donating a new filtered bottle filler!!

Now the school is so fortunate to have two! Thanks BOKS!!

Box Tops Collection

We'd love to collect up any Box Tops you've been saving by the end of the school year! Use one of these summer collection sheets for your Box Tops and earn FREE \$\$ for Haynes. <https://www.boxtops4education.com/about/collection-sheets>

Auction 2018 – Join our Team!

Looking for a way to get involved? Join the 2018 Auction Team! This is an exciting opportunity to meet new people while helping to plan an important fundraising and Haynes community event! The auction contributes to the funding of valuable experiences for Haynes students, such as grade-level festivals, science and cultural arts enrichment, playground equipment, and new technology. We currently have a 2018 Auction Chair and are in need of someone to Co-Chair. There are also opportunities to join the Auction Committee. Whether you come on board as a Co-Chair or Committee member, responsibilities will be divided and manageable. There will also be plenty of support from the HOP leadership along the way. The Auction will take place on Saturday, November 17th. Planning for this fun event will begin soon, so if you are interested or would like to discuss this opportunity further, please let me know.

Thank you,
Dayna Buckley

Committee Chair Openings

Want to get involved with HOP next year? HOP has several Committee Chair openings that are described below. Please reach out to Dayna Buckley daynabuckley@hotmail.com or Nalini Luthra nluthra647@aol.com if you would like to Chair/Co-Chair any of these programs or have questions .

BOKS:

Co-chair with Anne Yazdani who has been doing this for several years. BOKS (Build Our Kids' Success) is a volunteer-run, fun, before-school physical activity program for kids. Each session lasts 6 weeks and meets 2 days per week for 45 minutes. Some of the activities include running, jumping, hopping, hula hooping, learning new skills and so much more!

Cultural Arts:

Coordinators are responsible for booking and requesting payment for grade-level, curriculum-based, cultural enrichment activities. This includes communication with teachers, administration (as necessary), HOP Treasurer, and artists or their agents. With remaining budget, coordinators should attend Young Audiences of Massachusetts showcases and meetings with fellow Cultural Arts Coordinators through established networks to preview and book artists and authors for all school meetings and school visits. For all events, coordinators must stay within budget and ensure that events are communicated to school administrators and HOP so they appear on school and HOP calendars.

Fifth Grade Activities:

Work with a team of dedicated fifth grade parents to coordinate and organize a variety of activities to make Fifth grade a truly memorable year.

Haynes Beautification:

Spring-March/April

Trim back perennials in front gardens. Clean up perennials and prune to shape.

Clean out Planters and plant Spring hardy annuals and perennials, water and fertilize containers

End of May

Change out any annuals that have expired and add summer annuals water and fertilize containers

End of August

Spruce up the containers from the summer for the first day of school, water and fertilize containers

October

Add fall hardy annuals, water containers

December

Take out plant material and add greens for the winter season

Every two years plant more daffodils and add perennials when necessary

METCO Liason:

The METCO liaison aim to help facilitate connections among Boston Haynes students and Sudbury Haynes students and among their families. The liaison collaborates with the Family and Student Engagement Coordinator who works half time at Haynes. You help to organize two Stay n Play events which provide an opportunity for Boston and Sudbury friends to have play dates on a half day Wednesday either at school or at homes. In addition, you help to connect families so that Boston students are able to attend evening events and field trips that involve unusual departures or arrivals. Finally, in some years, liaisons have organized a Haynes METCO family potluck dinner or other event to bring Boston and Sudbury families together to enjoy each other's company.

New Family Orientation:

Be the point person for families that are new to Haynes and help them settle into the community.

STEAM Carnival:

Be the parent liason who will help Mrs Kramer with the annual STEAM Carnival

Webteam:

Working along with other Web team members to help update the HOP homepage, maintain Sign-up sheets for volunteer activities, and update HOP web page content as needed.
