Winter Chess Club

Join us for the Winter semester of Josiah Haynes' popular Chess club taught by Chess master Dmitri Frenklakh.

Any level and age are welcome! This Winter semester runs 8-weeks every Wednesday from 7:45am - 8:45am starting January 29th and ending on March 18, 2020.

Fee for the semester: \$150 (checks to be made payable to Dmitry Frenklakh and kindly bring your checks to the first Chess Club session on January 29th)

Where: Josiah Haynes School, 7:45-8:45AM

Our Chess club provides children with a solid foundation on which to build and grow their skills of visualization and deductive reasoning. We have all ages from kindergarten to 5th grade. A child who is introduced to chess at a young age is likely to do better in school for years to come. Research shows that playing chess improves a child's thinking, problem-solving, reading, and math scores. Educators and chess experts generally agree the first grade is the ideal time to introduce children to chess, although some as young as four or five may be ready to learn and play. It really helps children in building self-confidence. We hope to have your child join us!

Payment is due at the first class on January 28th. Please remember to make check out to Dmitri Frenklakh. If you have any questions or for further information, please contact

Dmitri Frenklakh by email dima.frank@gmail.com or if you have any questions, please call him at (617) 823-6865.

[NEEDED - Festival Co-Chairs](#)

In order to put on a cultural festival for the 2nd grade students, we need volunteers to co-chair this fun event. The 2nd grade festival is set for April 15th and is a highlight of the year that brings classroom lessons to life. This event will not happen without parent or guardian involvement. If you are interested, please sign up on the HOP website (<https://haynespto.org/sheet/festival-chair-sign-up/>), or if you have questions, please contact HOP Festival Coordinator Rory Richards (roryrichards@gmail.com)

We are also still looking for additional co-chairs for both the 1st Grade Japan festival on March 11th, as well as the Kindergarten Chicken festival on May 20th!

Ever wonder, “where can I recycle these dried up markers?”. Well we have found the answer! The Crayola Corporation takes back all your old markers. no matter the color or brand. AND we now have a collection box at Haynes as part of our Go Greener initiative! Feel free to send your old markers to school where your student can deposit them in the collection box, at any time of year, in the main office.

ISO – Help with our HOP Materials Organization Committee

We are currently in search of your help with our materials organization! We are looking for sturdy garage type shelving and large Rubbermaid style storage bins. HOPs storage needs an overhaul and we are looking to form a small committee of helper to dedicate 4-6 hours over the coming months to help us clear out and reorganize our storage units.
