Haynes Organization of Parents (HOP) Newsletter February 11, 2020

Greetings Haynes Families,

We have officially made it past the 100th Day of School!! Congratulations!! It has certainly been a fun school year so far. So many successes! A big thank you to our Dining Out Coordinators for setting up Sudbury Pizza Night and thank you to all the families who Dined Out in support of Haynes that night. School Store this past month has certainly been a hit too, thank you for your continued support for this year's Fifth Grade Class. There are still lots of fun items available this week and when we return from Break.

Also coming up the week of February 24th, HOP welcomes artist in residence Bren Bataclan to Haynes. Bren will be presenting his message of kindness through art to the students of Haynes on February 24th. Working specifically with the Fifth Grade, he will guide the students creating a four-paneled mural representing the four school rules at Haynes. Bren will be in the school while completing this mural. Throughout the week, all the student will be able to witness his creative process and engage with the artist.

As we head into Haynes' Festival season we wanted to thank all of the Festival Chairs who have signed on to coordinate these fun filled events. Be on the lookout for grade specific sign ups, parent participation is crucial to the success of these events and would not be possible without the support of our entire Haynes community. Thank you all for your time and commitment!

Coming soon.....BINGO NIGHT on March 6th !! You will not want to miss this great Haynes community event so buy your tickets, order your food, and get those raffle tickets for those famed raffle baskets! Can't wait to see you there!!

Enjoy your February Break,

Bridget & Emily :)

HOP News
