

SPS & SUDBURY FOOD PANTRY MONTHLY COLLECTION

JANUARY 20TH, JANUARY 21ST & JANUARY 22ND

Backwards Day

(Just wear your clothes in a backwards way for Food Pantry collection days!)

HAPPY NEW YEAR and THANK YOU for your flexibility last month with the snow day and for your contributions to another successful drive! The Food Pantry continues to be busy. Your donations make a huge difference in allowing the Pantry to maintain a decent variety of products they might not otherwise have been able to obtain through their other sources. Some of their most-needed items are listed below.

This week we will be collecting immediately inside building entrances on Wednesday (Remote), Thursday (Cohort A) and Friday (Cohort B). Students should leave their donated non-perishable items on the tables upon entering the school.

Fourth Grade parents, we ask that you please use the [Sign Up Genius](#) to help on Friday sorting days.
